

Small Kimwipe Holder

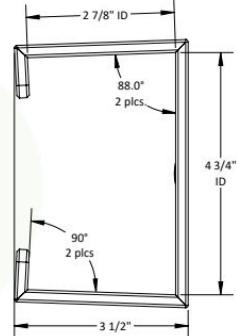

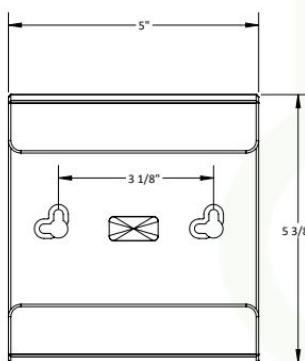

Part No. 50008

Lab managers need to keep surfaces clear and supplies clean—but loose wiper boxes can clutter benches and collect contamination. That's a frustrating risk when precision matters. The Small Kimwipe Holder keeps your wipers off the bench and always within reach. It's smart, simple storage that supports a lean, efficient lab.

5 x 5 $\frac{3}{8}$ x 3 $\frac{1}{2}$ inches WHD
