

Deluxe Bench Booster Workstation

Part No. 50014

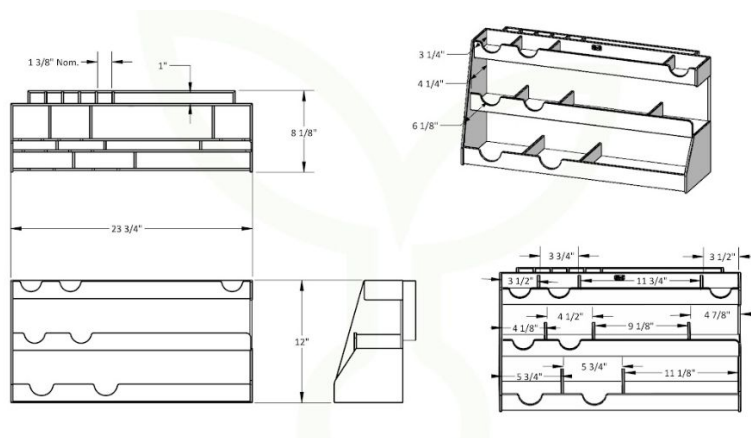

Lab managers want organized, efficient workspaces—but loose supplies and scattered tools can slow down even the best teams. It's frustrating when clutter creates confusion. The Deluxe Bench Booster Workstation puts everything in its place, from wipes and pens to forms and pipettes. It's the workstation upgrade that supports faster, cleaner, more efficient lab work.

23 ¾ x 12 x 8 ½ inches WHD

Features:

- 17 compartments across three shelves hold everything from small tools to paperwork
- Consolidates essential items into one compact unit
- White PVC construction resists chemicals and wipes down easily
- Elevates storage for easy visibility and access
