

## Top Loader Workstation

Part No. 50027

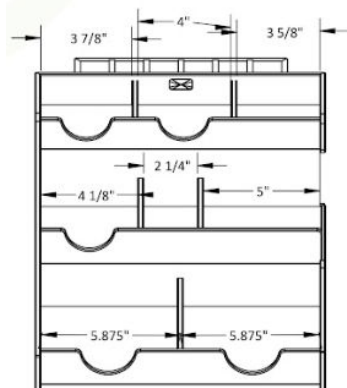

TrippNT's Top Loader Workstation is built for busy research labs that can't afford supply chaos. With 13 multi-sized compartments, it organizes and protects costly weighing papers, boats, and spatulas, so your team spends less time hunting and more time generating results. Clean, compact, and built from durable white PVC, it's a ready-to-go storage solution for cluttered benches and critical workflows.
