

Small Apparel Dispenser

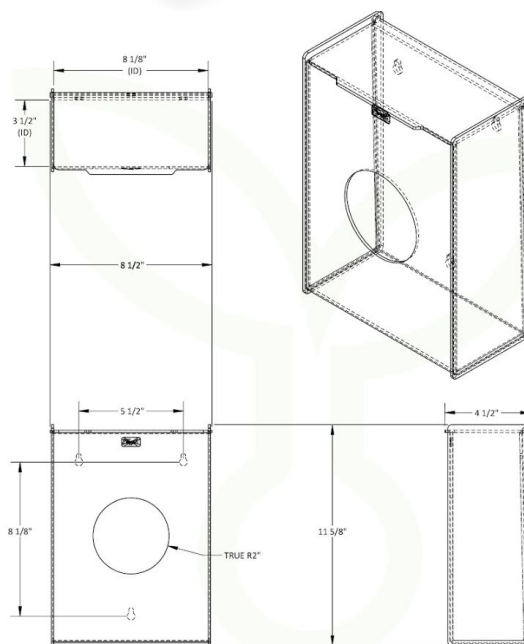

Part No. 50043

Keep your lab running smoothly and contamination-free with the TrippNT Holder Apparel Small Dispenser — a clear, durable, and space-efficient PPE organizer designed for dependable daily use. Ideal for holding disposable caps, masks, or shoe covers, this small dispenser provides quick, one-handed access through a center dispensing hole while keeping contents protected and visible. Crafted from clear acrylic with a hinged lid and pre-drilled keyholes, it mounts easily into any lab environment.

8 1/2 x 11 5/8 x 4 1/2 Inches WHD
