

Lab Storage Shelf 8 Bin

Part No. 50339

Keep your lab organized, efficient, and compliant with the TrippNT 4 Plus 4 Storage Bin Organizer. Built from durable, chemical-resistant white PVC, this storage system features eight spacious compartments—four upper and four lower—perfect for separating reagents, tools, pipettes, gloves, and other frequently used lab supplies. Its clean, professional design keeps workstations neat, improves workflow efficiency, and ensures supplies are always within easy reach.

24 x 12 ½ x 10 ⅛ inches WHD
