

Vertical Glove Box Holder

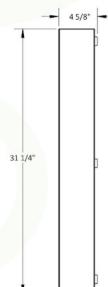

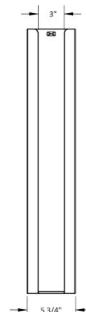

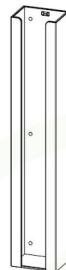

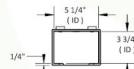

Part No. 50481

Keep your PPE and cleaning supplies organized, visible, and right where your team needs them with the TrippNT Vertical Glove Box and Kimwipe Holder. Designed specifically for busy lab environments, this compact organizer stores both gloves and wipes in one convenient unit—saving space while improving workflow. The strong magnetic mount attaches securely to metal surfaces, keeping valuable bench space clear and ensuring quick access to essential supplies. Built from durable white PVC, it's cleanable, chemical-resistant, and built to last.

5 $\frac{3}{4}$ x 31 $\frac{1}{4}$ x 4 $\frac{1}{2}$ inches WHD

Features:

- Holds one glove box and one Kimwipe box vertically in a single space-saving unit
- Strong magnets secure the holder to metal surfaces. No tools or drilling required
- Rigid PVC resists corrosion, chemicals, and daily use
