

Clear Precision Leveling Table

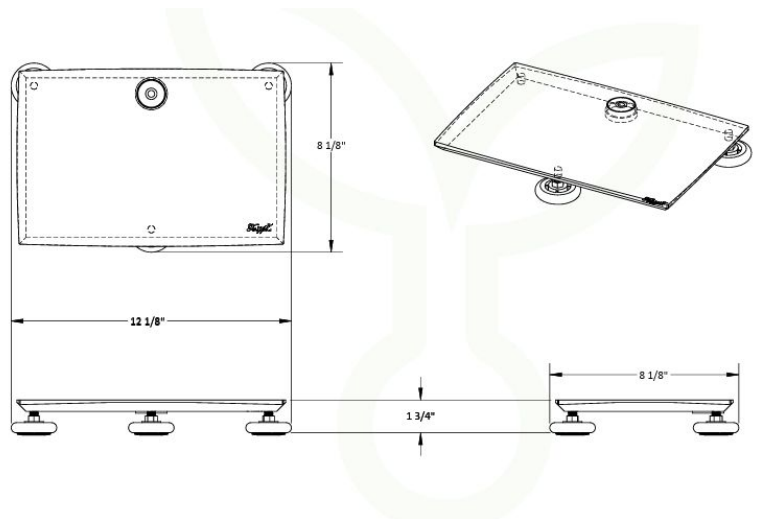

Part No. 50600

Ensure precise measurements and stable setups with this compact leveling table—ideal for balances, instrumentation, and sensitive procedures. Made from durable, clear acrylic, it features a built-in bubble level and three adjustable feet to create a flat, wobble-free surface in seconds. Perfect for lab managers who demand accuracy without sacrificing bench space.

12 1/8 x 1 3/4 x 8 1/8 inches WHD

Features:

- **Built-In Bubble Level:** Quickly check and maintain a level work surface
- **Three Adjustable Feet:** Fine-tune leveling on uneven lab benches
- **Clear Acrylic Platform:** Durable, easy to clean, and won't obstruct visibility
- **Perfect for Sensitive Equipment:** Supports precision tools like balances, pH meters, or microplates
