

# Angled Pipette Cart

## 50741

### ORGANIZED. ACCESSIBLE. FOR BUSY LABS.

TrippNT's Angled Pipette Cart with White Drawers streamlines pipette storage and transport, ensuring your team never wastes time searching for tools. Designed for demanding research environments, it features angled compartments for fast visual inventory, smooth-rolling casters for mobility, and durable, cleanable construction. From compliance-ready organization to everyday workflow efficiency, this cart keeps your lab moving at the pace of discovery.

### ANGLED COMPARTMENT DESIGN

- 17 angled bins keep pipettes and supplies visible and easy to grab.

### MOBILE & MANEUVERABLE

- Smooth-rolling 3-inch casters and built-in handles make transport effortless.

### DURABLE, CLEANABLE MATERIALS

- Non-metal HDPE and ABS resist corrosion, chemicals, and daily disinfectants.

### LIFETIME GUARANTEE

- Work stress-free, knowing your cart is covered for life.

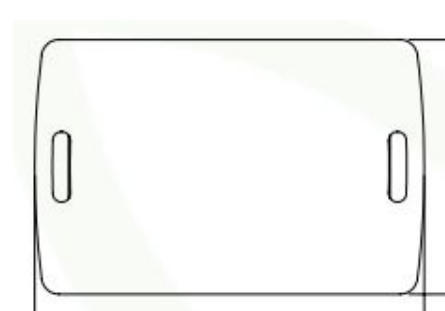

#### 3-inch Casters

- Smooth mobility
- Locking wheels keep cart securely in place

#### ANGLED COMPARTMENTS

- Keeps safe from falling
- Fast access and easy stock checks

#### BUILT-IN HANDLES

- Integrated grab points for effortless transport

# Angled Pipette Cart

50741
