

Single Face Mask Holder with Lid

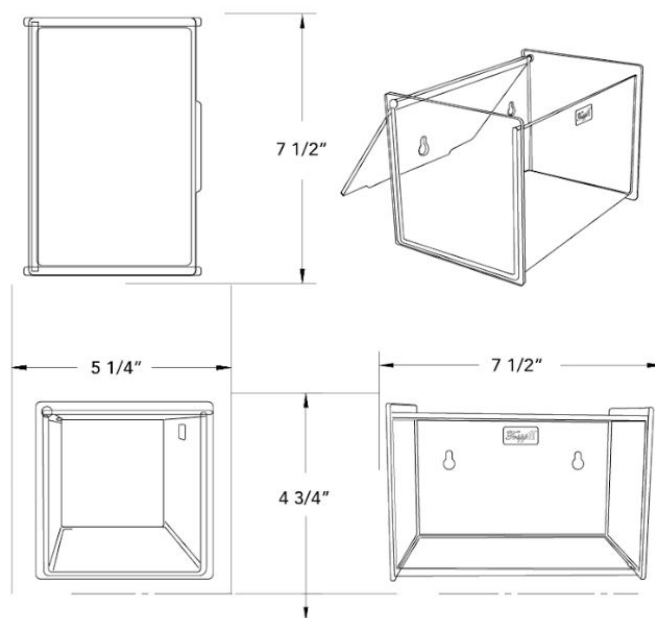

Part No. 50854

Protect your face masks from contamination and clutter with this clear acrylic dispenser. Designed with a large compartment and a hinged lid, it keeps multiple mask types organized, visible, and easy to access—ideal for shared labs, cleanrooms, and clinical workspaces.

7 ½ x 4 ¾ x 5 ¼ inches WHD

Features:

- **Single Compartment:** Stores several mask types or sizes for easy access
- **Hinged Lid:** Shields contents from dust and splashes while allowing quick refill
- **Clear Acrylic Build:** Durable and easy to clean—lets staff see inventory at a glance
- **Compact & Efficient:** Fits on counters, carts, or shelves
- **Benchtop or Wall Mount:** Sit on bench or wall mount using included hardware and built-in keyholes
