

Triple 2 Faced glove Box Dispenser

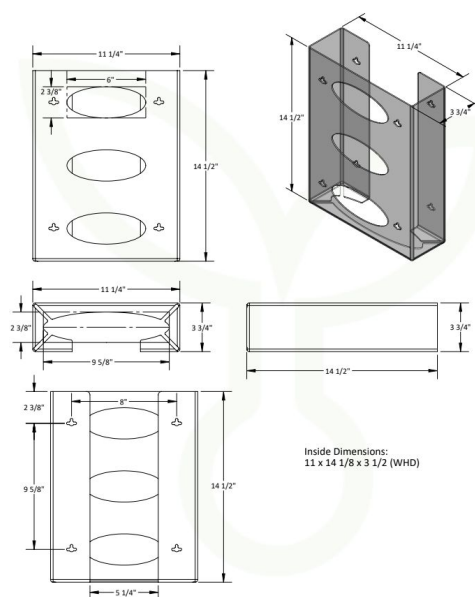

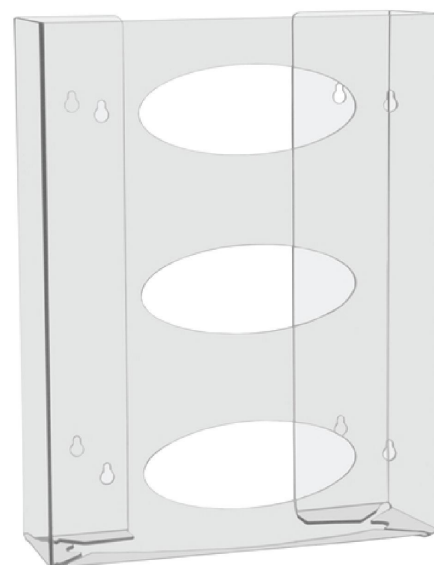

Part No. 51145

Keep your lab running smoothly from both sides of a shared workspace with the TrippNT Two-Faced Triple Glove Box Holder. Designed for lab managers who value organization and speed, this innovative dual-access dispenser holds up to three glove boxes and allows use from either side of a pass-through wall, bench divider, or partition. Built from durable, crystal-clear PETG, it offers unmatched visibility, easy cleaning, and professional appeal—all while maximizing accessibility and workflow efficiency.
