

# Element 01 Cart

## 51463

### SUPPLIES WHERE YOU NEED THEM. CONFIDENCE WHEN IT COUNTS.

In fast-moving clinical environments, every second matters. The Element 01 Cart keeps supplies organized, secure, and accessible—helping your team move faster, stay focused, and work with confidence.

#### ALWAYS READY

- Keep supplies visible and within reach so your team never loses time to clutter.

#### FITS YOUR WORKFLOW

- Compact, agile design adapts to busy hallways and tight exam rooms.

#### BUILT TO LAST

- Durable construction withstands heavy use and demanding environments shift after shift.

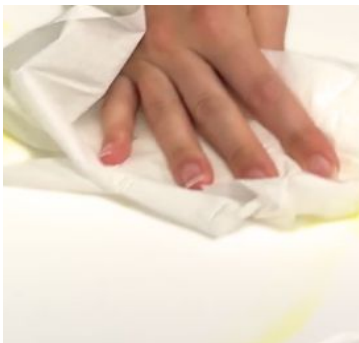

#### LIFETIME GUARANTEE

- Work stress-free, knowing your cart is covered for life.

#### Easy-Clean Surfaces

- Corrosion-resistant surfaces clean fast and stay durable, even with frequent disinfecting

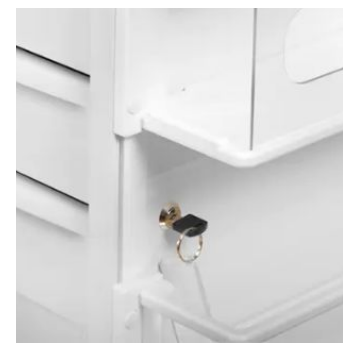

#### Full-Extension Drawers

- Every inch of storage is visible and accessible. No more wasted time reaching in the dark.

#### Bulk Storage

- A roomy lower area keeps oversized or high-use items neatly stored and easy to grab.

#### Locking System

- A single key secures both drawers, protecting sensitive supplies.

## QUIET PERFORMANCE

- Low-noise components minimize disruption in patient care areas.

## ERGONOMIC HANDLING

- Integrated handles make steering easy and reduce fatigue in tight spaces.

## VERSATILE STORAGE

- Mix of drawers and bulk space accommodates supplies of all sizes.

## PROFESSIONAL APPEARANCE

- Clean, modern lines complement clinical environments.

Corrosion Resistant

Short Lead Times

Ships Assembled

Made in the U.S.A

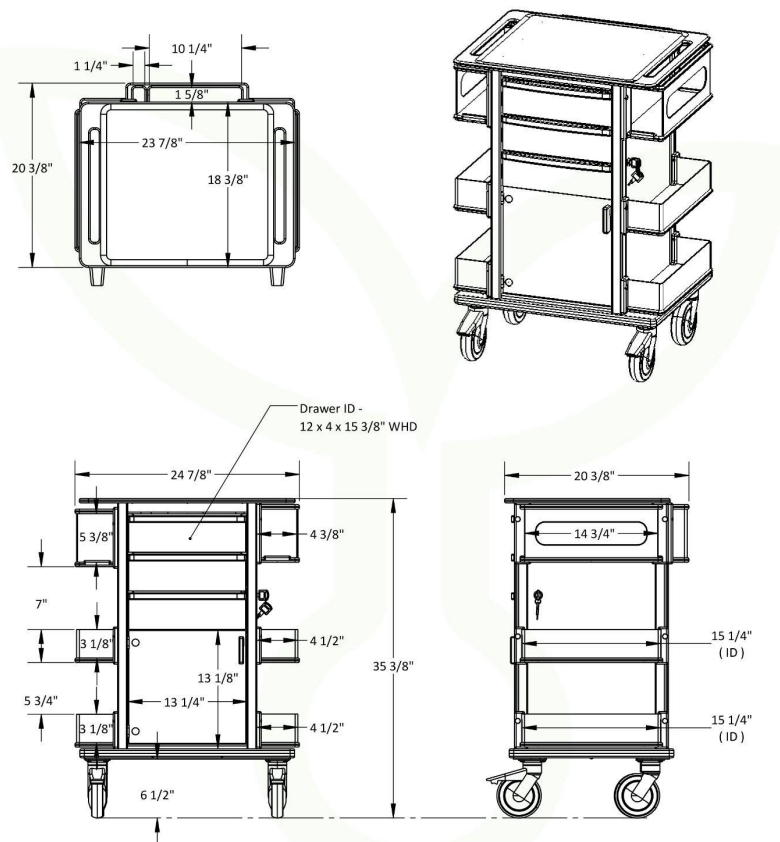

100% Lifetime Guarantee

## PRECISION MOBILITY WITH TENTE CASTERS

Clinicians shouldn't drift or rattle. The Element 01 Cart features premium TENTE casters with a precision tracking caster that keeps movement straight and controlled. In crowded hallways, entering elevators, or positioning at the bedside, the cart glides smoothly, stays on course, and locks securely when needed. This means less strain, less noise, and more focus on patient care.
