

# Extra Wide Core Cart

## 51801

### Bring order to the chaos—store more, move faster, stay compliant

When experiments are in motion and supplies are scattered, this cart keeps everything in place and ready to go. With an extra-wide work surface, oversized drawers, and a secure bulk compartment, it centralizes storage without cluttering the lab. Durable HDPE and ABS resist damage and chemicals, while smooth-rolling casters and a clear sliding door make mobility and inventory checks effortless. Designed to boost efficiency, support compliance, and project professionalism, it's a simple way to keep science moving.

#### EXTRA-WIDE WORK SURFACE

- 36 × 17 inches of usable space for active workflows

#### FULLY ASSEMBLED & LAB-READY

- Ships complete and ready to roll into any research environment

#### LIFETIME GUARANTEE

- Work stress-free, knowing your cart is covered for life.
