

MRI lab Storage Shelf 5 Bin

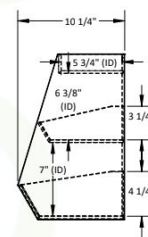

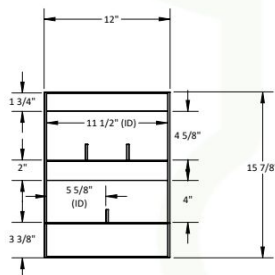

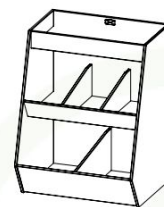

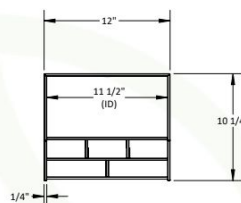

Part No. 51888

Stay organized and compliant with the TrippNT MRI Storage Bin Organizer (5-Compartment Model)—the ideal solution for maintaining order in non-magnetic, patient-safe environments. Built from durable, easy-to-clean white PVC, this organizer features five roomy compartments and a single shelf, providing a secure, visible place for medical or lab supplies. Designed for MRI suites, imaging centers, and other magnet-sensitive areas, it keeps essential tools within reach while ensuring total safety and compliance.

12 x 15 7/8 x 10 1/4 inches WHD
