

Narrow Locking Cart Series

SECURE, SLIMLINE STORAGE BUILT FOR TIGHT SPACES AND CLINICAL DEMANDS

TrippNT's **Narrow Locking Carts** offer secure, space-saving storage with a lockable tambour door and removable trays. Available in tall or low-profile models, they're ideal for tight healthcare or lab spaces. Built from cleanable HDPE and easy to maneuver, these carts combine durability, mobility, and organized access in one compact unit.

SLIM FIT DESIGN

- Optimized narrow footprint slides into crowded spaces and compact rooms with ease.

REMOVABLE STORAGE TRAYS

- Each tray securely holds supplies and can be lifted out for quick access or reconfiguration.

LOCKABLE TAMBOUR DOOR

- Smooth-glide white or gray tambour panel fully conceals contents and secures them to meet regulatory requirements.

LIFETIME GUARANTEE

- Work stress-free, knowing your cart is covered for life.

Comes in 2 sizes

Smooth Locking Casters

- Four swivel casters make moving the cart easy; the front two are locking.

Removable Trays

- Store all your items in the 12 1/2" x 8 3/8" x 2 3/8" trays.

Lockable Tambour Door

- The door locks closed with the included key.

Ergonomic Handle

- Integrated top-mounted handle offers effortless control during movement.
