FITS THE PHLEBOTOMIST, NOT THE OTHER WAY AROUND

TrippNT's Phlebotomy Pro and Pro Mini Carts bring order, efficiency, and ergonomics to every blood draw. Designed with intent, these carts keep all critical supplies within reach, provide secure storage, and offer extra workspace. Two height options keep the whole team comfortable while allowing operations leaders to standardize on a single design. The result is smoother workflows that lead to happier staff and more confident patient care.

SECURE, AUDIT-READY STORAGE

- Three locking drawers and a clear-door bulk compartment keep supplies visible and protected.

SUPPLIES IN REACH

- Supplies like gloves, sanitizer, and sharps are organized up top for instant access.

RELIEVE STRAIN, STAY FOCUSED

- Two ergonomic options (43 1/8" and 37 1/8") ensure comfort for all staff.
