

Core DX Cart with Extended Top & Hinged Door 53542

Everything your lab needs within reach

Streamline your lab's operations with the Core DX Extend Top Cart—featuring a spacious 29 × 19-inch work surface, secure storage, and built-in glove dispensers. Durable HDPE construction and smooth casters ensure easy movement across shared spaces while meeting strict cleaning and safety protocols.

EXPANSIVE WORK SURFACE

- Extra-large 29 × 19-inch top gives your team ample space to stage reagents, tools, and documentation—right where they're needed.

Hygienic Durable Construction

- Corrosion-resistant, non-metal HDPE resists harsh disinfectants and laboratory wear—helping you meet compliance without breakdowns.

LIFETIME GUARANTEE

- Work stress-free, knowing your cart is covered for life.
