

Core DX Railtop with Sliding Door Series

SECURE, MOBILE STORAGE DESIGNED FOR DEMANDING WORKFLOWS.

In fast-moving clinical and laboratory environments, every second counts. Supplies get misplaced, workspaces get crowded, and carts often fail to keep up. The Core DX Cart with Sliding Door & Railtop bridges those challenges with a dependable design that keeps essentials secure, accessible, and stable in motion. Built for the pace of real work, it moves smoothly where you need it, cleans easily at the end of the day, and carries the confidence of a lifetime guarantee.

SOLID HDPE CONSTRUCTION

- Non-metal, chemical-resistant build stands up to daily disinfecting and years of use.

SMART STORAGE MIX

- Three lockable drawers plus a sliding-door bulk compartment protect both small and oversized supplies.

INSTANT-ACCESS DISPENSER WINGS

- Built-in side dispensers keep gloves, wipes, and other consumables within easy reach.

LIFETIME GUARANTEE

- Work stress-free, knowing your cart is covered for life.

Try it out at your facility.

RAILTOP DESIGN

- Raised edges on the top surface keep laptops, instruments, or supplies stable during movement.

SLIDING-DOOR BULK STORAGE

- Securely houses larger items without consuming extra floor space.

LOCKING DRAWERS

- Organize and protect everyday tools, medications, or samples

TWIN-WHEEL CASTERS

- Deliver steady, low-effort transport across thresholds and varied surfaces.
