

Core Pipette and Fume Hood Supply Cart

53602

Everything at Your Biosafety Cabinet

This low profile cart allows for ample amounts of storage and organization right where you need it. Small enough to fit underneath most fume hoods and biosafety cabinets, this cart is the perfect companion when conducting important research.

Low Profile

- Standing just under 27" tall, this cart will fit under most desks, fume hoods, and biosafety cabinets.

Pipette Storage

- 6 Slots for plenty of storage for all of your pipettes and tools.

Side Shelves

- Designated space for glove boxes, kimwipes, and any other supplies that you need quick access to.

LIFETIME GUARANTEE

- Work stress-free, knowing your cart is covered for life.
