

Small Kimwipe Holder, Magnet Undermount

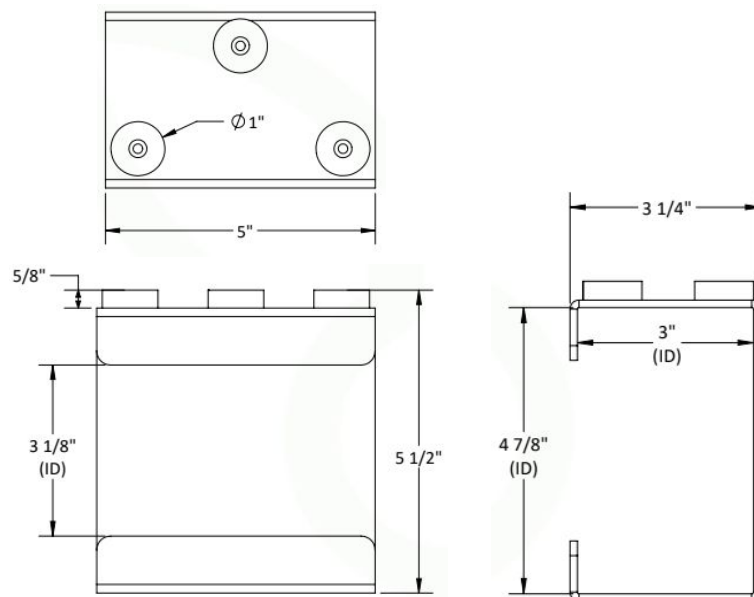

Part No. 54012

Lab professionals need quick, clean access to wipes—without cluttering their workspace. The Kimwipe Holder mounts securely under shelves or to metal surfaces, keeping wipes ready and out of the way for a faster, cleaner workflow.

5 x 5 ½ x 3 ¼ inches WHD

Features:

- Holds 1 small kimwipe box
- Open easy for one handed kimwipe removal
- Made of clear polycarbonate for clarity and durability
- Magnet Undermount
