

Pipette Bin 5 Compartment with Magnet Undermount

Part No. 54057

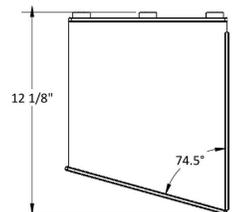

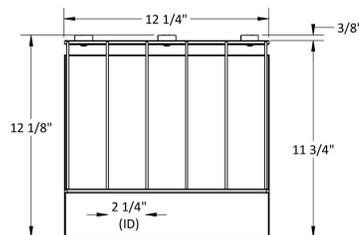

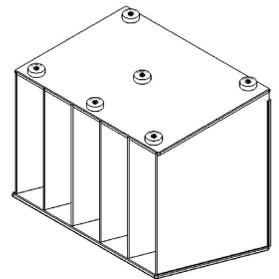

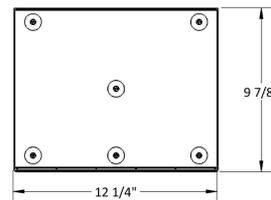

This under-shelf pipette storage bin keeps your workspace clear and your serological pipettes organized. With five vertical compartments, it allows you to sort by size or type—and instantly see when supplies are running low.

12 1/4 x 12 1/8 x 9 7/8 inches WHD

Features:

- Five compartments to organize pipettes by size or type.
- Under-shelf magnet mounting to free up valuable bench space.
- Clear acrylic design for easy recognition and inventory management.
- Quick access, gravity-fed compartments for smooth retrieval.
